University of Missouri

Study on WIC Eligible Mothers

Who is eligible to participate in WIC?

- Pregnant (during pregnancy and up to 6 weeks after the birth of an infant or the end of the pregnancy)
- Postpartum women (up to six months after the birth of the infant or the end of the pregnancy)
- Women breastfeeding (up to the infant's first birthday)
- Infants up to their 1st birthday
- Children until their 5th birthday

Income Requirement

To qualify as applicant, you must live in Missouri and meet the requirements mentioned before and satisfied the following income description:

Household income may be no more than 185% of the federal poverty income guidelines. Families that qualify for supplemental nutrition assistance program (SNAP) or temporary assistance for needy families (TANF) automatically qualify. Individuals who meet income and category guidelines will have a nutrition and health assessment during the certification process.
